Front Range Woodturners

A Chapter of the American Association of Woodturners

NEXT MEETING FEBRUARY 2, 1999

The next club meeting of the Frontrange Woodturners will be February 2, 1999 . The meeting will be held at ~~Schlosser~~ Machinery, 301 Bryant St, Denver, as usual.

Our guest demonstrator will be Johannes Michelson and he will be turning the wooden hats that he is famous for. It was mentioned at the last meeting that there would be a drawing, the winner of which would be awarded a full size hat turned by Johannes. In all fairness, I have to tell you that I can't confirm this, as the hat requires a huge chunk of wood and I don't know if we have procured this piece of wood yet. There may, or may not, be such a drawing. There will be two sessions, the first from 1:00PM to 4:30PM and the second from 6:00PM to 9:30PM. There is a fee of \$10.00 per session or two sessions for \$15.00 PER PERSON. As I understand it, he will turn a small hat at the first session and if the wood is there, a full size hat at the second session. All I can say for sure is that there will be two sessions. No regular meeting.

At our last meeting, we had about 65 members present and I get a report that 30 members have paid their dues. Hmmmmm! Something don't add up !! Please pay your dues ASAP!
The new treasurer is :Allan Fulton, 4770 Prospect, Littleton, Co 80123
